The top window displays the main portal page, titled "THE NEW BRUNSWICK IRISH PORTAL". It features a central heading "CHOOSE A DATABASE" and a grid of database options. A red box highlights the following databases:

- Saint John Almshouse Records
- Brenan Funeral Home Records: Traces of Ireland
- Fitzwilliam Estate Emigration Books 1847-1856
- RS555 Provincial Secretary: Immigration Administration Records
- Immigrant Letters
- Newspapers
- Passenger Lists
- Teachers Petition Database
- Irish Immigrants in the New Brunswick Census of 1851 and 1861

The bottom window shows a detailed view of the "Brenan Funeral Home Records: Traces of Ireland" database. The page includes a header with the title and a "Visit Full Database" link. Below the header are navigation links for "Introduction", "Language of Presentation", and "Search Indexes". The "Introduction" section contains the following text:

The records of Brenan's Select™ Community Funeral Homes & Crematorium capture the descendants of many of the immigrant families that arrived in Saint John and the surrounding area in the mid nineteenth century. In particular through complete transcription of the records from 1901-1960 it became evident that many of these records consisted of individuals with Irish origins. It should also be noted that in its early years Brenan's Funeral Home dealt largely with Protestant clients.

For the purposes of this site the only individuals included are those confirmed as Irish through the presence of the terms "Irish" and/or "Ireland" within one or more of the following fields: *comment*, *place of birth*, *birth place of father*, and *birth place of mother*. It should be noted that record keepers at the funeral home did not always include the terms "Irish" or "Ireland" in an Irish individual's record. The subset presented in this website represents only 1,136 of 32,221 entries in the full database. Therefore, to view the records of other possible Irish individuals, whose origin was not denoted in any field but whose surname may denote the Emerald Isle, and everyone else buried through Brenan's, users should access the full database.

An Illustrated History of Nobles County, Minnesota: Biographical Sketch of John McCarthy

JOHN McCARTHY, Little Rock township farmer, has made his home on the farm where he now resides ever since he was seven years of age. He is a native of the city of Boston, where he was born Jan. 9, 1873, the son of the late Dennis McCarthy and Catherine (Collins) McCarthy.

It was on the first day of April, 1880, that the family arrived in Adrian as members of the Irish Catholic Colonization association, determined to make their future homes in Nobles county. The father bought the south-east quarter of section 17, Little Rock township, and that has been the family home ever since.

Dennis McCarthy was born in the county of Cork, Ireland, on Christmas day, 1840, and resided in his native land until 24 years of age, engaging in farming. He arrived in the new world Aug. 15, 1864, and located in Boston, where he worked at the paving business. He was united in marriage at Boston on Feb. 19, 1865, to Catherine Collins, who survives her husband and resides on the Little Rock farm. To them were born the following children: Dannie, Nellie, Mary, John and Dennis. The first three named are deceased. The other two reside with their
