- 03:23:10 Kathleen Mackenzie: I also am going to include a more recent option- our colleague Ann created this paid on-demand course. The other resources mentioned above are free and this one is \$75, but it does have some excellent content! <https://my.americanancestors.org/1879/2318>

- 03:27:24 Kathleen Mackenzie: Rhonda was speaking to the one I linked above! We just have that one paid skills course, and then the two links Rhonda included above it are free resources. All were created by our colleague Ann who creates excellent foundational content!
