

Additional Resources Mentioned in Live Lecture

- Building Technology Heritage Library: architecture and construction trade publications: <https://archive.org/details/buildingtechnologyheritagelibrary>
- Greenwood Cemetery: To generate an interment list, navigate to <https://www.greenwoodnola.com/burial-records> and do a search for a name. Click "Burials" next to the name in the search results and scroll all the way down to see the lot list (it won't look like the page has changed or refreshed, but new information should appear below).
- Introduction the FamilySearch catalog: https://www.familysearch.org/en/wiki/Introduction_to_the_FamilySearch_Catalog
- Explanations of icons: <https://alicechilds.com/pro-tips-for-using-the-familysearch-catalog-more-efficiently/>
- How to find a FamilySearch Center near you: <https://locations.familysearch.org/en/search>
- One of the participants of this course, Wendy, attended a talk recently about the diocese of Baton Rouge, and kindly shared this resource from the talk: <https://www.americanancestors.org/sites/default/files/2024-08/BatonRougeDiocese.pdf>.
