Please join us for the **2026 American Stories, American Lives Gala** for a once-in-a-lifetime opportunity when we celebrate the 250th Anniversary of the American Revolution and the signing of the Declaration of Independence. We invite you to mark this special moment in our country's history as we honor our shared past and look toward the next chapter of the American story. American Ancestors is recognized nationally and internationally as the gold standard in historic research, interpretation, and preservation since our founding in 1845. We look forward to welcoming you!

We are proud to present American Ancestors' Lifetime Achievement Awards to Glenn Close, one of the most revered actresses of her generation, whose eight Academy Award nominations and numerous honors across film, television, and theater reflect a career of extraordinary artistic range and impact; and to Dr. Jane Kamensky, President and CEO of Thomas Jefferson's Monticello, a distinguished historian whose scholarship and public leadership have profoundly shaped the study and interpretation of early American history.

Opportunities for Gala Benefactors

The mission of American Ancestors is to advance the study of family history in America and beyond. We educate, inspire, and connect people through our scholarship, collections, and expertise.

Proceeds of the American Stories, American Lives Gala help fund our groundbreaking work, including educational programs, original research and scholarship, publications, online services, and content development. By exploring family histories, we uncover the stories of our ancestors—their triumphs, struggles, cultures, and traditions—and bring context and meaning to the world in which we live.

To purchase tickets and benefactor packages, please [click here](#). Kindly RSVP by April 10, 2026.
