

American Ancestors®

A NATIONAL CENTER FOR FAMILY HISTORY, HERITAGE & CULTURE

Join Us for a Free Three-Day Teacher Workshop!

Genealogy in the Classroom: Bringing History to Life with Family History

Massachusetts Classroom Teachers

Social Studies/History, English Language Arts, School Librarians, Grades: 4-12

**Thursday, August 20 to
Saturday, August 22, 2026**

10 a.m.–4 p.m.

**Application Deadline:
August 1**

*Receive a \$250 Stipend
Space is limited, Apply today!*

Workshop Benefits

- \$250 stipend for travel and materials needed to implement genealogy lessons with students
- Inquiry-based lessons and inclusive teaching strategies from our Family History Curriculum
- Firsthand knowledge from professional genealogists and strategies to replicate authentic research methodologies in the classroom
- One-on-one virtual follow-up training to brainstorm a personalized plan to create lessons and projects for students
- Monthly group meetings to exchange ideas and gain insight from fellow educators
- Student field trip to American Ancestors to support your classroom curriculum
- Member access to AmericanAncestors.org

Receive training and resources needed to implement our **Family History Curriculum**. Go beyond family trees and help students develop critical research and thinking skills as they explore their roots and make personal connections to history. **Location:** American Ancestors, 97 Newbury Street, Boston, Massachusetts
