

American Ancestors®

A NATIONAL CENTER FOR FAMILY HISTORY, HERITAGE & CULTURE

Join Us for a Free Three-Day Teacher Workshop!

Genealogy in the Classroom: Bringing History to Life with Family History

**Massachusetts Classroom Teachers, School Librarians & Public Librarians
Social Studies/History, English Language Arts, Grades: 4-12**

**Thursday, August 20 to
Saturday, August 22, 2026**

10 a.m.–4 p.m.

***Receive a \$250 Stipend
Space is limited,
Apply today!***

Workshop Benefits

- \$250 stipend for travel and materials needed to implement genealogy lessons with students
- Inquiry-based lessons and inclusive teaching strategies from our Family History Curriculum
- Firsthand knowledge from professional genealogists and strategies to replicate authentic research methodologies in the classroom
- One-on-one virtual follow-up training to brainstorm a personalized plan to create lessons and projects for students
- Monthly group meetings to exchange ideas and gain insight from fellow educators
- Student field trip to American Ancestors to support your classroom curriculum
- Member access to AmericanAncestors.org

Receive training and resources needed to implement our Family History Curriculum. Go beyond family trees and help students develop critical research and thinking skills as they explore their roots and make personal connections to history. **Location:** American Ancestors, 97 Newbury Street, Boston, Massachusetts
